

## Frequently Asked Questions

### ***What is ECLIPSE?***

ECLIPSE is LAGERS' new web-based pension administration system. This system will change the way you enroll new employees, report wages, service credit, contributions, and certify benefits.

### ***What does this mean for Me?***

ECLIPSE will bring about significant changes in the way you report monthly wages and contributions to LAGERS. **After your release date, LAGERS will no longer accept the monthly wage report you are currently submitting.**

### ***When is my Release Date?***

LAGERS 600+ employers will be phased into the system from August 2010 to September 2011. A tentative release schedule is available on [www.molagers.org](http://www.molagers.org). After your release date, LAGERS will not accept the monthly wage report you currently submit.

### ***When can I see the ECLIPSE system?***

Because of the significant change to your LAGERS administrative functions, LAGERS will have training sessions in your area. It is vital that those responsible for handling LAGERS administration for your employees attend one of these training sessions.

### ***What are some features of ECLIPSE?***

- Report month wages and contributions online
- Download/Upload Excel and Text Files into ECLIPSE for monthly Reporting
- Make monthly contribution Payments Online
- Benefit wage certification Online
- View your Employer's rate history, benefit elections, actuarial valuations Online

### ***How much time will I need to devote for the training sessions?***

Each training session will take less than 4 hours. The sessions will be offered in your region 4-6 weeks before your release date.
